Leader in Me Student Jobs Spotlight

At the beginning of the year, your student(s) voted for their top jobs they wanted to be a part of and were placed in a student led group! This month we are featuring three student led jobs, which include spirit squad, assembly greeters, and MC Leaders.

Spirit Squad

Spirit squad students shake their pom-poms to welcome and congratulate students who have earned the character award of the month. These students create cheers for our assemblies and bring energy to students and teachers. These students perform cheers relating to Leader in Me and the 7 Habits.

Assembly Greeters

Assembly greeter students welcome guests and students as they enter assemblies. These students direct parents and teachers to sit in the appropriate place. Assembly greeter students assist in helping our awesome assemblies run smoothly.

MC Leaders

MC Leader students serve as host/hostess for school assemblies. These students introduce speakers for our assemblies, engage in skits, and assist with planning the assemblies.
